VigiLED II™ Surface/Bracket Mount

The VigiLED II™ LED directional light offers long life, low-maintenance operation with no moving parts or flashtubes to break or replace. This premium LED head features a clear polycarbonate lens with four LEDs that illuminate in the color of your choice. Warning capability can be customized by selecting from 18 flash patterns and synchronizing multiple heads simultaneously or alternately. The VigiLED II is covered by a 1-year warranty.
